Own Your Own Images on a USB Drive:
 Was called a "Digital Session" in the past.

- This one price includes your session fee.
- Includes all your images from your online gallery with "finishing touches" added to all photos and delivered on a USB drive.
- "Finishing Touches: means all images go through a finishing process that beautifully balances the overall photo.
- Includes your "Copyright Release" so you can print and use any of your images in any way you like.
- You can bring your digital prints back to us to print them for you at any time for ½ à la carte pricing or you can print them yourself.

Add Ons Available:

Add **one outfit** to a session **\$29**
 (this adds \$100 to the *Own Your Own Images* price)

Add **a location** to your session **\$39**
 (this adds \$120 to the *Own Your Own Images* price)

Add **for each pet** **\$10**

*You have 12 months to schedule your two bonus sessions.
 All prices subject to change.
